

Winter Edition

WELCOME

Welcome to the latest edition of Central News, the newsletter for Bristol Central Seventh-day Adventist Church.

February is a month filled with love despite the despairing and depressing news. We hope that you can join us for a spiritually enriched and exciting line up of programmes, initiatives and activities for February and beyond.

HEALTH CORNER

The government continues to stress that the new COVID-19 variants are more transmissible and more deadly. So many people are anxious about the virus and are uncertain about taking the vaccine. The Bible teaches, *"And the lord commended the unjust steward, because he had done wisely: for the children of this world are in their generation wiser than the children of light"* (Luke 16:8).

God's children need to block out fake news and the noises and think for themselves. Individually, we need to pray and allow God to lead our decision. Regardless of the challenges God is still ultimately responsible for our lives. **Stay WELL, Stay SAFE, Stay CONNECTED!**

Tune into the **COMMUNITY HEALTH SPOT** every **SABBATH** at Midday.

THOUGHT FOR THE DAY

If my people, which are called by my name, shall humble themselves and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.
